RE: Request Number EPA-R7-2015-001549

Dear Mr. Smith:

This is in response to your request for a waiver of fees in connection with your Freedom of Information Act (FOIA) request to the U.S. Environmental Protection Agency (EPA) Region 7 seeking a copy of records regarding the comprehensive groundwater study performed by the United States Geological Survey for the West Lake Landfill Superfund site in St. Louis County, Missouri.

Based upon a review of your request, and the information available to us at this time, we have determined that the total fee that would be incurred in processing this request is de minimus and therefore not billable. The EPA Region 7 office in Lenexa, Kansas will respond to your request for information for the Agency.

If you have any questions, please contact me at (202) 566-1667.

Sincerely,

A handwritten signature in black ink, appearing to read "Larry F. Gottesman".
